

Dear Friend and Supporter,

As the holiday season approaches, we at Spay Memphis want to thank you for the wonderful support you have provided us in 2017. Your generosity—whether through monetary donations, supplies, volunteering, or just simply saying “thank you for all you do”—has been crucial to helping our clinic fulfill our mission of reducing pet overpopulation in the Mid-South. Our organization has been through many changes this year, and we are so appreciative of your continued support through our rebrand and clinic move.

Your compassionate support has allowed us, in 2017 alone, to provide almost 5,000 spay and neuter surgeries for animals in the Mid-South. These services help Spay Memphis move closer to our goal of eliminating the euthanasia of adoptable animals at our local animal shelters.

In the spirit of thanks and giving, we ask that you continue to support our important work. As you know, the work we do is not warm and fuzzy. We don't do pet adoptions, nor do we shelter adorable puppies and kittens. **What we do is offer high-quality, affordable spay and neuter surgery because it is the MOST cost-effective, efficient, and proactive solution to pet overpopulation that exists today.** Over the years, we've prevented hundreds of thousands of unwanted animal births, alleviating the suffering caused by homelessness, neglect, and abuse.

We hope you will see the holiday season as the perfect time to donate to our cause, and to get us started on the right “paw” in 2018. We at Spay Memphis know you won't give up on saving animals, because we know you care about them, just as much as we do. We desperately need your support to continue our work.

**It is only with donations from people like you that we are able to offer high-quality, affordable spay & neuter to continue reducing pet overpopulation.**

**Please consider donating today!**

With gratitude,

*Brittany Pace*
