

CENTRAL ARKANSAS RESCUE TRANSPORT (“CART”) **Catty Litter Program Qualifications As of 4/10/2023** centarkrescuetrans1@gmail.com / 501-288-9548

Program Purpose

To move weaned kittens (and when friendly, their mother) to our destination partners that have foster home capacity, which will free up Arkansas foster homes for subsequent litters, thus reducing euthanasia rates. See diagram for cats that qualify. Only open to Arkansas Rescue Transport Coalition.

Medical Protocol Requirements

Mom	FIV/FelV Test, Rabies, FVRCP, Dewormer & Flea/Tick Treatment (last 30 days), Health Cert.
Kittens < 3 months	FVRCP (=> 6 weeks), Dewormer & Flea/Tick (age appropriate, last 30 days). Covered Under HC.
=>3 mth & <= 6 mth	Rabies, FVRCP, Dewormer & Flea/Tick Treatment (last 30 days), Covered under Health Cert.
