

## Intermediate Cat Volunteer Handling Evaluation

🐾 Identify one cat and their training needs from Trello today:

🐾 Discuss the benefits of clicker training shelter cats.

🐾 Discuss how you would desensitize a cat to having their nails trimmed.

🐾 Discuss how you would desensitize a cat to entering a travel carrier.

🐾 Discuss ways to introduce the One Fast Cat exercise wheel to a cat who has never used it.

🐾 Perform a targeting exercise to encourage a cat to the front of the kennel.

🐾 Demonstrate how to train the sit cue.

🐾 Demonstrate interactive play on and off of climbing surfaces.

 Discuss and demonstrate (if a trained cat is available) safety procedures and methods for training a cat to ride in a cat-safe stroller.

 Demonstrate low-stress handling methods that can help a cat return to their cage.

 Submit a Behavior Observation Report through the Volunteer Hub (SquareSpace website form).
