

Ideal Animal Welfare Ecosystem

The ***Ideal Animal Welfare Ecosystem*** gives a cohesive understanding of what resources should be available in each community to ensure pet caretakers have what they need. The ecosystem will serve as a tool to analyze programming gaps and allow communities to collectively fill the gaps and eliminate redundancies.

MAIN CATEGORIES OF RESOURCES

- ☐ Pet food & supplies
- ☐ Disaster support
- ☐ Pet friendly transportation
- ☐ Housing/crisis support
- ☐ Grooming
- ☐ Pet health
- ☐ Training & education
- ☐ Licensing & legal
- ☐ Lost & found pet support
- ☐ Pet rehoming
- ☐ Service & emotional animal support
- ☐ Community cat & dog support
- ☐ Funding for pet care
